

P3: FINAL ERD

Brief changes made to the ERD:

- 1) Account relationship has been modified by total specialization to show that an account may be either a Savings or a Checking account.
- 2) Associative entity **HELD BY** has been added between CUSTOMER and ACCOUNT relation to replace many-to-many relationship.
- 3) Relationship between LOAN and CUSTOMER has been changed from many-to-many to one-to-many.
- 4) Relationship between BRANCH and EMPLOYEE has been changed from many-to-many to one-to-many.

Final ERD:
